By joining the Seacourt Circle, you support the professional development of our artist printmakers, as well as providing an opportunity for us to engage wider audiences through our education and outreach programmes.

Your donations help us fund our services and meet our charitable aims and they make a difference.

We have a range of giving options, so you decide what is the right type of support and the amount which is right for you. As a thank you for your generosity, we will offer a variety of exclusive benefits and opportunities as part of Seacourt Circle.

All the income and donations Seacourt receives are pumped right back into our running costs and programmes. Subscriptions to Seacourt Circle helps us fund:

- our vital work with people who are isolated, have mental health or chronic illness or are experiencing challenges
- support and nurture our creatives, provide employment for artists who help nurture creativity and provide community and connection
- provide an extensive education programme working with over 500 young people every year

Did you know?

25% from every print sale goes towards delivering our programmes.

Every print sale makes an Artists day!

Aside from some precious income our printmakers get a real kick out of knowing that someone likes their work and will enjoy it forever. We love to see the work you've taken home in situ – take a photo and tag us on Instagram @seacourtprints
